the men who killed gandhi by manohar malgonkar takes readers back into the pages of indian history during the time of the partition featuring the murder plot and assassination of mahatma gandhi the men who killed gandhi is a spellbinding non fictional recreation of the events which led to india s partition the eventual assassination of gandhi and the prosecution of those who were involved in gandhi s murder this historical reenactment is set against the tumultuous backdrop of the british

raj malgonkar's book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination there is no doubt that mahatma gandhi played a leading role in obtaining independence from the british but the problems that ensued afterwards such as the structural rebuilding of the country and the partition led to many riots massive migrations and deep racial and cultural divides not everyone agreed with gandhi and his ideals as a result a plot to assassinate gandhi was devised by six individuals named narayan apte gopal godse madanlal pahwa digambar badge and nathuram godse this was eventually carried out in new delhi on the 30th of january 1948 eventually these six individuals were tried and convicted four of them received life sentences while two of them received the death penalty the first publication of the men who killed gandhi occurred in 1978 during the emergency years as a result malgonkar omitted many vital facts including dr ambedkar's role in minimizing savarkar's criminal conviction this 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from national archives after the four individuals who were convicted for gandhi's murder completed their life sentences they were interviewed by malgonkar these individuals revealed many details to him which were never known before the author also received access to the kapur commission from his friend mr nayar who was in the indian police service as a result the men who killed gandhi is considered the most historically accurate account of gandhi's assassination plot

saffron terrorism is it a fact or is this a myth after all do we know enough the shocking blasts of malegaon and samjhauta were projected as saffron terrorism a new theory terrorist attacks were tainted as such till a few years later kasab's confession offered solid proof of pakistan's role in the 26/11 attacks though the police had concluded a pakistani hand for the earlier blasts it was saffron terrorism which prevented the perpetrators of these attacks from being brought to justice as a theory saffron terrorism is not just hurting hindus sentiments but is also an obstacle to fight real terrorism sponsored by pakistan and islamic states the term was coined by the erstwhile upa government to garner minority votes and manipulate the vote bank after all why were the malegaon accused simi activists let off why did certain politicians declare not to oppose their bail what was truly behind aseemanand's confession the reliability of these confessions was questionable given the police brutality that the national investigative agency exposed journalist praveen tiwari explores saffron terrorism and reveals through

exclusive interviews of senior national investigative agency officials undercover agents and politicians how vote bank politics can compromise ethics and national security should the real masterminds behind the blasts be allowed to go scot free should the manipulators of the samjhauta express bombings not be held accountable should we not investigate those who had exonerated pakistan of its guilt an extensive research on communal politics the book offers indisputable evidence of the saffron terrorism theory as the great indian conspiracy

bringing together the careful research and analyses of renowned journalists and police officials 26 11 mumbai attacked explicates the reality behind the brazen attack on india s sovereignty in november 2008 when ten heavily armed terrorists held an entire city to ransom by the sheer force of their zealotry the scene by scene accounts incisive analyses and an exclusive interview with a let representative along with a description of its training camp in muridke pakistan reveal how the failure of indian intelligence agencies landed mumbai in the quagmire of terrorism paying homage to the brave security officers who lost their lives fighting the terrorists 26 11 mumbai attacked reiterates the chilling reality that india is under grave threat and the clock is ticking before the next big attack

even as ajmal kasab was saying that ten men who carried out 26 11 attacks in mumbai were pakistani terrorists some politicians of the ruling establishment were calling it a rss conspiracy it was clear to vikrant that government would do nothing to take revenge for the death of his wife and daughter who died along with more than 150 others in those dastardly attacks forget about taking revenge he won t even get justice but vikrant maheshwari was not the government he wasn t tied down by diplomatic niceties can he himself extract his revenge from pakistan who will help him how will he evade the cops who ve come to know of his plans

homeland security is rarely just a matter of the homeland it involves the circulation and multiplication of policing practices across borders though the term homeland security is closely associated with the united states israel is credited with first developing this all encompassing approach to domestic surveillance and territorial control today it is a central node in the sprawling global homeland security industry worth hundreds of billions of dollars and in the wake of the 2008 mumbai

terrorist attacks india emerged as a major growth market known as india s 9 11 or simply 26 11 the attacks sparked significant public pressure to adopt modern homeland security approaches since 2008 india has become not only the single largest buyer of israeli conventional weapons but also a range of other surveillance technology police training and security expertise pairing insights from science and technology studies with those from decolonial and postcolonial theory fabricating homeland security traces 26 11 s political and policy fallout concentrating on the efforts of israel s homeland security industry to advise and equip indian city and state governments through a focus on the often unseen and overlooked political struggles at work in the making of homeland security rhys machold details how homeland security is a universalizing project which seeks to remake the world in its image and tells the story of how claims to global authority are fabricated and put to work

political violence or terrorism by state as well as by non state actors has a long history in india the allegation that sections of and individual indian muslims indulged in â œterrorismâ surfaced for the first time with the ascent of the hindutva forces in mid 1990s and became state policy with the bjpâ s coming to power at the centre with even â œsecularâ media joining the role as stenographers of security agencies this became an accepted fact so much so that common indians and even many muslims started believing in this false propaganda this book by a former senior police officer with a distinguished career that included unearthing the telgi scam peeps behind the propaganda screen using material mostly in the public domain as well as his long police experience it comes out with some startling facts and analysis the first of its kind to expose the real actors behind the so called â œislamic terrorismâ in india whose greatest feat was to murder the maharashtra ats chief hemant karkare who dared to expose these forces and paid with his life for his courage and commitment to truth while unearthing the conspiracy behind the murder of karkare this book takes a hard look at some of the major incidents attributed to â œislamic terrorismâ in india and finds them baseless
